How did you find our office?

☐ Referred by _____

☐ Internet Search ☐ Saw Sign / Building

☐ Insurance Website / List ☐ Found Our Website

Please note that your insurance benefits are based on a contract between you and your insurance company. Any disputes about your benefits are between you and them, not between you and us. Financial responsibility for co-payments and non-covered services or products remains with you. Full payment, less anticipated insurance coverage, must be received before materials are dispensed. If you have questions regarding your insurance, please call the member services department listed on your card or contact your Human Resources Department.

Do you have headaches? (# per week _____) ☐

Are you prepared to have your eyes dilated today?

☐ YES ☐ NO

Dilation helps the doctor see inside your eyes. The need for dilation depends on a number of factors including your age, your general health, the natural size of your pupils, and the length of time since your last dilation. The effects of dilation last 4-5 hours and include light sensitivity and distorted vision especially when reading.

Signature of Patient or Parent Date

NEW PATIENT

Your "Vision Plan" covers you for common vision focusing problems, glasses or contact lenses, but will not cover treatment for medically based eye conditions. Those types of problems are billed to your "Medical" insurance. In some instances, both might need to be billed.
